Please provide a short bio telling us a little bit about you:

What would you do with the money? Tell us how you would transform your classroom:

- *In 500-1500 words, tell us how you would transform your classroom in a way that increases student engagement and critical thinking?*
- *Feel free to provide any assets (video, pictures, testimonials) you feel may convince us to choose you to present your case at VAI's Science on the Grand Conference on [July 13, 2020](#). (Please note, we may share these in social media; therefore, you must have consent by any individuals (minors and adults) that you include.)*

**Please note, participants will be chosen from paid attendees of the Conference and participants must be present to win.**

Have you and/or your team registered for the Conference? \_\_Yes \_\_No

*By submitting your application, you agree that if chosen as a finalist you will participate in our Pitch Tank event at the Conference and present your case to a panel of judges in front of a live audience. You understand that the intent is to have fun, share ideas with other educators, and to reward outstanding ideas in education. You agree to the official rules and regulations found on the Pitch Tank tab at [vaei.org/science20](#). You must be present at the Conference to be eligible to win.*
